

A vibrant, cartoon-style illustration celebrating Boeing's 2nd birthday. The central figure is a large, white, anthropomorphic airplane with a friendly face, blue eyes, and a wide smile. It has blue and red stripes on its tail. A small, yellow, bird-like character with a blue bow is perched on its wing. In the background, a purple airplane flies in the upper left, and a green airplane with red propellers flies in the upper right. A red and white striped hot air balloon is visible in the lower left. The sky is a mix of blue and pinkish-orange, suggesting a sunset or sunrise. The ground at the bottom shows green hills and a blue sky.
